

Welcome to BVN Fan Club!

What is Fan Club? Parents and friends who support BVN students participate in debate, drama, forensics and musical. These are the kids who take acting, advanced acting, repertory theatre, stagecraft, forensics, and debate classes. These are also the kids who perform in the spring and fall plays, the musical, Comedy Troupe and Newcomer’s at North. And who could forget the kids who are on the crew for all of these productions?

But didn’t I already join when I joined the Parent Booster Club at registration? No, they support ALL student activities at BVN, not just drama, forensics, musical, and debate. They do contribute generously to the performing arts! PBC Membership is a prerequisite for membership in FAN CLUB.

So why would I want to join Fan Club? We provide behind-the-scenes support for all those activities- Dr. Brown (drama and forensics teacher) and Mr. Wood (debate coach) need the help of many parents to run these programs. Your support of the kids by giving your time is truly needed and appreciated! Especially in this time of district cutbacks, your donation will make a real difference by providing monies for “the extras” that are not in the budget (cast parties, scholarships, dinner for long rehearsal days, etc.) Plus, Fan Club members get preferential seating for the musical and your name listed in all programs as a supporter.

I can help Fan Club:

- _____ 2-3 hour commitment during the day (selling tickets before a show or working concessions at tournaments)
- _____ 2-3 hour commitment in evening (selling tickets at a show, work at concession stand, help serve dinner)
- _____ 2-3 hour commitment on weekend (strike sets--- show up with an electric screwdriver and we will show you what to do!)

I’d like to join!
